### U. S. FACES COLOSSAL TASK BUT MUST TRIUMPH IN WAR, SAYS GARY TO STEEL MEN

Pledges Unselfish Service of Great Industry to Help Nation Win.

SEES NEUTRALS JOIN

Business as Well as Soldiers Must Be Mobilized Against Despotism.

A stirring address on the causes which prompted this country's entry into the war was delivered to-day by Elbert H. Gary, Chairman of the States Steel Corporation, at the annual meeting of the American Iron and Steel Institute, of which he is President, held in the Waldorf-

Judge Gary declared the nation had held off as long as possible before entering the war, but having been forced in must leave nothing undone to insure victory. He said the country had entered upon a colossal undertaking. Germany's resources, creative ability and military strength should not be under-

He pledged the full support of the iron and steel industry in the war. ception of patriotic duty with respect to the requirements of the Government. We will cheerfully bear our full share of the load which must be carried until there is realized a complete triumph over the hosts of as gressive, desperate and inhuman putouracy. Personal interests will risk

Judge Gary defended the Government against critics who have disparaged its efforts to co-operate with business interests. He mentioned a request M. Baruch. Chairman of a Committee
